Upcoming Dates & Events

Holiday October 10, 2022

Monday, October 10 is Discoverers' Day in recognition of the Polynesian discoverers of the Hawaiian Islands — it is not a state or city holiday. The PHK Management office will be open. Mail will not be delivered due to the Columbus Day federal holiday.

Storm, Hurricane, and Tsunami Information

Hurricane season runs from June 1 through November 30, though dangerous storms also appear outside of this seasonal window. Tsunamis are a year-round, 24-hours-a-day threat and hazard to all shoreline areas of Hawai'i. Residents are encouraged to be prepared. Information is available at the City and County of Honolulu Department of Emergency Management website: www.honolulu.gov/dem/preparedness.

Being Good Neighbors

HI-5 Recycling

A HI-5 recycling bin is located in the trash room at the loading dock area of the high-rise. PHK maintenance employee Tina Garcia takes the HI-5 cans and bottles for recycling. Residents can help by placing their HI-5 items (and no trash) in the marked plastic bin next to the dumpsters.

Community Room

Residents are reminded that the Community Room is available for use. Residents who want to reserve the room for an event can do so by contacting Resident Manager Mike Bravo. Be sure to request the key to the refrigerator if you need to use it for your event.

Chickens, Ducks, pigeons, and feral cats

Please do not feed chickens, ducks, pigeons, feral cats, or any other stray animals on PHK property (including the driveway). Doing so is a violation of the House Rules and creates a health hazard and a mess which our landscaping staff have to clean up.

Resident Registration Forms

As part of the PHK Life Safety

Plan (mandated by the City and County of Honolulu) we are required to have emergency evacuation assistance information on file for all residents. If you have not yet completed the 2022 version of the Resident Registration form, please do so by contacting RM Mike Bravo.
