August 2018

😊 No matter how much you push the envelope, it'll still be stationery. 😊

Reminders:

With the tragedy at the Marco Polo it would be wise for our condo residents to remember the following:

1. Have an operating smoke detector.
2. Keep a small fire extinguisher in your unit. Check on its expiration date.
3. In the event that you need to evacuate, leave your door unlocked and the windows closed.
4. Never prop open the fire door.
5. Call 911 immediately if you are aware of any fire problems.

Parking Lot Speed

It has been mentioned that driving in our condo parking areas has often been too fast. To prevent any needless injuries to our residents, guests, or pets, please slow down.

Especially needed when the sun's glare can block your vision, as in the townhouse.

Noise

Please be courteous to other residents when you are in our common areas. Running and stomping in halls and on stairs during early or late hours should be curtailed. Loud noises, such as yelling, loud talk and singing, should also be curtailed.

Trash room hours.

In consideration for high rise residents below your floor, please do not use the trash shoot before 8AM and after 9PM. These hours are listed in the House Rules, Section 7. Residents are subject to fines if ignored.
