NOVEMBER 2018

😊. I don't mean to brag but I finished my 14 day diet in 3 hours and 12 minutes. 😊

Wishing you all a Happy Thanksgiving

Notice:

As you have probably read in the condo's notices, we solicited the services of the Pig Hunters Association of Oahu to relocate the feral pigs that recently showed up on the property.

They've set up a trap behind the bbq area. We'll need the help of residents to let the manager or security know if a pig is caught or any are sighted around our condo.

Door Key Locks

Because of the salty air that surrounds us, our house key locks need to be lubricated with a silicone spray every 90 days or so to prevent rust and corrosion.

Recently one neighbor had to replace the lock when their door keys did not work, to the cost of \$800!! Silicone spray is much cheaper!!

Recycle Bins

Please wash out all bottles that you place in any of the recycle bins.

The trash room will be closed all day Thursday at 10AM till 9AM on Friday due to pest fogging.

Management

As you are already aware, Mike, our resident manager, is on sick leave. We have been very fortunate to have Cindy Stutzman as an interim manager for 4 hours each morning. Her contact number is on the next column in this newsletter.

And a big mahalo for our maintenance man, Mel Sabado, for taking on many of the condo's responsibilities in the absence of our manager.
