April – May 2020

☺ Just saw a burglar kicking in his own door. I asked him what are you doing? He said, I'm working from home. ☺

Board Meeting

We had an interesting experience at our past April Board Meeting.

Thanks to Keven, from Touchstone Properties, we were all able to connect through Uberconference. Thanks to all of you who participated.

Pool Opening

The pool is now open again from 9AM to 8PM.

The limit is one family at a time. Please be respectful of time so that others can use the pool.

There are still no drinks or food allowed. Also not allowed are jumping and Diving. or running around the pool grounds.

BBQ

The BBQ is still open. After using, please clean the

grills and turn off the gas tanks.

Smoking Reminder

Please close all your windows and sliding door when smoking in your unit. We have had a number of complaints in the high rise with the smoke entering their units.

Most people do not want to breath in the smoke and there are also those who are allergic to it.

Also, smoking on the lanai is not allowed.

Elevators

Please stay at a distance in the elevators and continue to wear your face masks.

Mahalo

Thanks to all the residents that are so patient going through this epidemic.

Thanks especially to resident manager, Greg, and Harry, our property manager. They have been doing a great job.

Thanks also to Keven, of Touchstone Properties and

Carl, president of our Board of Directors for all their work during this difficult time.
