Board Meeting

Thanks to all the Plaza owners who connected through Uberconference for our May board meeting. Thanks again to Keven, from Touchstone Properties for making this opportunity available.

Elevators and Common Areas.

Thanks to all our residents for showing respect and concern for each other by wearing face masks during this difficult time.

Exercise Room Opening

Our exercise room will be opening again soon with modified rules for social distancing. The room will likely be open in early June. Date, times and rules will be posted before the opening.

Please remember to wipe down the equipment before and after you use it.

Businesses

The Plaza apartments must be used for residential purposes only. We understand the current pandemic has affected many businesses and the ability for some to work, however, residents may not operate a business out of their homes per our bylaws. We understand many residents are working from home but this is different than having customers coming in and out.

Reminders:

For the safety and welfare of residents and their guests, recreational activities such as games, the operation of bicycles, roller skates, in-line skates, skateboards, in-line scooters or other recreational devices on the common areas is prohibited.

Please close the windows and doors of you unit if you are smoking or vaping.

Also any other strong smells should be contained. It is difficult for your neighbors since it enters their units.
